And Now A Word From....

The East

My Brothers,

As January and the installation season winds down, I look back and have to say that although hectic they were enjoyable. I am also happy to report that every installation our lodge was well represented, as there were no less than five brothers at every one. Moreover; we weren't just sideliners, whether it was Justin McDonald doing photography or R.:W.: Chet King filling any number of roles, Winter Park's presence made me feel proud to be a part of it.

As fun as travelling was, it is now time to get down to business here at home. February will be a busy month! We will initiate our first group of EA's on the 21st, and on March 3rd we will raise a group of Master Masons. Additionally, the competition degree team will ramp it up for the first round of competition coming up this month. The district instructor is putting together a team of brothers from around the district and their first goal is to knock us out of the top spot in the district!

To round out the month we will hold our annual dinner for the Past Masters and Widows. The event will be held on the 28th. W.: Phil Bloom will once again entertain us with his rendition of hit songs from days past. This will mark our first event for the widows this year as we will expand on the program to include at least one and possibly more events.

All this and more! So please come out and be a part of all that is going on in your lodge! For a full lineup

of events, as well as news, interesting articles and more please visit us at winterparklodge.org. I look forward to seeing you all at the lodge!

Worshipful Master

The West

One month down, many to go. We will have our first Master Mason Degree on March 3rd. If you are interested in helping with the degree, please let me know.

Also, as a reminder, the District Deputy Grand Master has asked all the lodges to come up with some long range goals for the next 5, 10, even 15 years and to present those goals/plans during his second round of visits this Spring. I will be working with the other officers to put together the presentation, but I would like to ask for your input. What do you think the vision should be for Winter Park Lodge 15 years from now? What would you like to see us accomplish as a lodge in the next 5 years? I would like to hear from the newly raised Master Masons and Past Masters alike. Feel free to email me or pull me aside during one of our upcoming communications.

IMPORTANT:

Entered Apprentice Degrees will begin at 7:00pm! All other degrees & meetings will start at 7:30pm

More Words From...

The South

January started at a run. I hope everyone enjoyed the short order burgers and Phillies at the first meeting. I made about 4 gallons of chili as well so you'll be seeing that in meetings to come. On the second meeting we had meatloaf. We went to the Scottish Highland Games and Oh the people you meet. This was our third year and we are becoming a fixture. Every year we see a lot of the same people. A lot of the Freemasons that visit are from Scotland. I want to thank those brothers who accompanied me. We go to the Games to talk to others about Freemasonry but the best discussions were between ourselves. It's a great time. February menu for the first meeting will be short order. The second meeting will be Ham, Orange Sauce, Sweet Potatoes, Deviled Eggs and Dinner Roll. This is one of my all-time favorite meals. If your wife and kids aren't coming to the dinners because (like mine) they won't eat the food, I'll cook them a burger or chicken nuggets.

The Secretary

Check your dues card! Does it say 2012? If it doesn't, you are not paid up. Remind your Brothers (gently, of course) to make sure they are paid through the end of this year. If a Mason is having hard times and is unable to pay his dues, he should never hesitate to inform his Brethren so they can protect his membership.

We have a lot of Brothers here at Winter Park and the odds are good that many of them will sooner or later change address, phone number or email. Please let the lodge know if you move! Our mail does not get forwarded. If you do move and we do not have your address or a current phone number or email address, we can't contact you and you could risk suspension for Non Payment of Dues. Suspension for NPD is the biggest threat to Freemasonry in this era. When a man becomes a Mason, he becomes part of a

lodge and is responsible for the well being of that lodge. Remember, a lodge is an assembly of Masons, not the building they use. If a Mason does not pay his annual dues and keep his lodge records up to date, he is not keeping his commitments and he is ignoring his responsibility. Such behavior is not the way a true Mason acts.

Support The Building Fund

R.:W.: H. Glen Avery made a challenge last year, encouraging each member to make a donation to the building fund each year on their birthday. This gift should represent one dollar for each year of the birthday you are celebrating. All gifts of this type will be placed in the building fund for use in restoring our aging building to the pristine condition we have all become accustomed. Please consider making your gift today, by mailing or handing a check to the Secretary or Treasurer.

The Chaplain

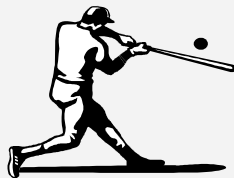

Please keep praying for Stu Orgaz's wife as she is continuing to improve from her heart transplant. Also keep Nelson Bonet's family in your prayers as his cousin has breast cancer. As always keep our military, police force, EMTs and anyone else whose job puts them in harms way in your prayers.

Masonic Trivia

Den Ardinger

It is recorded that King Solomon's Temple had two distinct bronze pillars erected at the porch entrance that were given the names of Jachin and Boaz. The pillars are described in the Bible in 2 Chronicles 3:15-17 and in 1 Kings 7. These pillars have played an important part in Freemasonry lore for centuries. Boaz, the left pillar, and Jachin, the right, represent strength and establishment. When studying to become Master Masons, we had to pass between the two pillars on our way to the Middle Chamber of the Temple.

But what do the two pillars really represent by their symbology?

In Robert Macoy's "A Dictionary of Freemasonry," he gives an example of how far back in time these pillars have played a part in our philosophy. Boaz meant "in strength" and Jachin meant "he that strengthens" or "will establish." Putting them together, the two pillars signify "in strength shall this, my house be established." He gives one example from the cathedral of Wurzburg, one of the oldest cities in Germany, where the delicately crafted pillars played a significant part in the architecture of the building and date from its earliest construction in the year 1042.
